|          |   |           |
|----------|---|-----------|
| <b>1</b> | <b>Preface</b>  | <b>1</b>  |
| <b>2</b> | <b>The International Seismological Centre</b>                   | <b>2</b>  |
| 2.1      | The ISC Mandate . . . . .                                       | 2         |
| 2.2      | Brief History of the ISC . . . . .                              | 3         |
| 2.3      | Former Directors of the ISC and its U.K. Predecessors . . . . . | 4         |
| 2.4      | Member Institutions of the ISC . . . . .                        | 5         |
| 2.5      | Sponsoring Organisations . . . . .                              | 11        |
| 2.6      | Data Contributing Agencies . . . . .                            | 12        |
| 2.7      | ISC Staff . . . . .   | 22        |
| <b>3</b> | <b>ISC Operational Procedures</b>                               | <b>27</b> |
| 3.1      | Introduction . . . . .  | 27        |
| 3.2      | Data Collection . . . . .                                       | 27        |
| 3.3      | ISC Automatic Procedures . . . . .                              | 28        |
| 3.3.1    | Grouping . . . . .  | 28        |
| 3.3.2    | Association . . . . .   | 30        |
| 3.3.3    | Thresholding . . . . .  | 31        |
| 3.3.4    | Location by the ISC . . . . .                                   | 31        |
| 3.4      | ISC Location Algorithm . . . . .                                | 32        |
| 3.4.1    | Seismic Phases . . . . .  | 33        |
| 3.4.2    | Correlated Travel-Time Prediction Error Structure . . . . .     | 34        |
| 3.4.3    | Depth Resolution . . . . .                                      | 36        |
| 3.4.4    | Depth-Phase Stack . . . . .                                     | 36        |
| 3.4.5    | Initial Hypocentre . . . . .                                    | 37        |
| 3.4.6    | Iterative Linearised Location Algorithm . . . . .               | 37        |
| 3.4.7    | Validation Tests . . . . .                                      | 38        |
| 3.4.8    | Magnitude Calculation . . . . .                                 | 38        |
| 3.4.9    | Body-Wave Magnitudes . . . . .                                  | 40        |
| 3.4.10   | Surface-Wave Magnitudes . . . . .                               | 41        |
| 3.5      | Review Process . . . . .  | 42        |
| 3.6      | History of Operational Changes . . . . .                        | 43        |
| <b>4</b> | <b>Availability of the ISC Bulletin</b>                         | <b>45</b> |
